

Our Impact

The table below is a list of various populations served by the Stevens County Food Shelf. These numbers are representative of the impact that the Food Shelf has on our local community with regard to food insecurity. We do not have exact numbers for 2020, but we are certain that the need has increased in light of the COVID-19 pandemic. Please visit: <https://stevenscountyfoodshelf.org/> to donate to the Food Shelf.
